CPD Direct supply a comprehensive range of bathroom & less Able Products. In addition to a fine range of bathroom suites there are shower products, baths, whirlpools, wet rooms and accessories. Direct from leading manufacturers to the customer. We have something to inspire your bathroom and give it that styish edge. At a price you can afford!

- 10 years experience in the special needs market, we believe that our range and personal service is unrivalled.
- We work directly with Architects and Contractors in the specification and supply of quality sanitary ware.
- Quality Stainless Steel Products.
- Our list of projects completed is available on request.
